July 22, 2019

The Scotty Creek community is having their 4<sup>th</sup> annual community BBQ. On the afternoon of August 18th, 2019 at the Scotty Creek Community Park.

We would like to apply for a Grant in Aid to help with some of your costs, last year was the largest attendance and we are expecting a larger turn out this year.

Food: hamburgers- Beef and chicken/ Buns/ condiments etc. ( Food items) \$ 400

Rental of the bounce house for the small children \$150

Games \$15

BBQ rental \$100

Cost of printing newsletters that our hand delivered to the community \$15

Water \$20

Everyone that is invited is asked to bring their own dishes (we are trying to cut down on garbage) this first year we will still have to supply some disposable dishes for those that forget to bring their own dishes.

All guests are also asked to bring a salad or dessert to keep our cost down. This has worked out very well in the past years.

Cost have increased in the last year, the Scotty Creek community is asking for a \$700 Grant in Aid.

Please forward funds to the Ellison Parks and Recreation Society.

If any other information is required please contact: Sylvia Fleming, Vice President EPRS-  
250-864-1179

Thanks

  
Sylvia Fleming
