Timeline / Process Overview

THE VISION

Original Design 2024

- Replacing an aging structure
 - Accessible friendly
 - Engineered Wood Fiber
- Understanding Accessibility
 - Barriers

Revised Design 2025

■ Public Engagement

- Your Say webpage
- Public Open House

■ Redesign

- Pour-in-place rubber surfacing
- More inclusive play equipment
- Ages 2 to 13

PLAY THAT MOVES YOU

Sensory play is only part of the excitement in this colorful, fun and adventurous playspace! Play variety means there is something for everyone and the different climbing options, spinning opportunities, overhead events, creative spaces and StemPlay® panels will bring people of all ages and abilities into this space. With two play areas, 2-5 and 5-12, children will find developmentally appropriate play events that will challenge them to find the best of themselves through play.
