Hi Corie,

Further to my email last week, on Monday Council approved of the City entering into a water access agreement for McCulloch Lake Resort and directed staff to seek consent from the Regional District Board to provide this service. The certified resolution is attached and the Council report and attachments are available online ([item 6.8](#)).

Please connect with Kevin (cc'd) on next steps to bring this to the Board, for their consideration.

Thank you,

Laura Bentley
