6.4 Mirrored Glass Doors – Article 9.6.6.3

Article 9.6.6.3 stipulates that the use of “mirrored glass doors may be used only at the entrances to clothes closets and shall conform to the requirements of Can/CGSB-82.6M “Door, Mirrored Glass, Sliding or Folding Wardrobe’.”

CAN/CGSB-82.6M – Scope 1.1, states:

“This standard provides performance requirements and test procedures for the evaluation of framed mirrored glass sliding or folding wardrobe doors to be used on reach-in type closets. These wardrobe doors are not to be used as access doors for walk-in closets.”

Therefore, mirrored glass doors are not permitted at walk-in closets.
