2. RDCO Assumption of EVFD Obligations

2.1 The RDCO agrees that wherever this Agreement sets out or defines the responsibilities or obligations of the EVFD, such provisions constitute the responsibilities and obligations of the RDCO under this Agreement.

3. EVFD Response to Alarms

3.1 The EVFD may respond to an Alarm within or stated to be within the Fire Service Area.

3.2 The EVFD reserves a complete and sole discretion in deciding:

- (i) whether to respond to an Alarm from or in connection with the Fire Service Area;
- (ii) the staff and equipment to be dispatched; and

- (iii) whether to reassign staff and equipment in the event an Emergency does or may exist within the Ellison Fire Protection Local Service Area (the "EFPLSA") established under the RDCO Ellison Fire Protection Local Service Establishment Bylaw No. 418, 1990.

3.3 Without limiting the scope of its discretion under section 3.2, the EVFD may consider, in determining whether a response will be made or what level of response will be provided, the following factors:

- (i) any emergency within RDCO's geographic limits or the likelihood of same;
- (ii) weather conditions, road conditions or other hazards which may jeopardize the safety of personnel or unduly place equipment at risk;
- (iii) the availability of staff and the state of readiness of equipment;
- (iv) the extent and suitability of road access to the place of a reported emergency; and
- (v) the nature, severity and location of the reported emergency.

3.5 Notwithstanding any other provision of this Agreement, the City acknowledges that the EVFD will only provide Fire Services with respect to structural fire protection where the structure is located within thirty (30) metres of fire department access; such access meaning a public roadway or a private driveway which provides full and sufficient access to EVFD fire fighting vehicles.

3.6 In responding to any Alarm, nothing in this Agreement requires the EVFD's response be in accordance with National Fire Protection Association ("NFPA") regarding the number of staff responding.

3.7 The COK must advise all property owners within the Fire Service Area of the discretionary nature of the Fire Services as set out in this Article 3, and that property owners should advise their insurers accordingly.

4. Payment

4.1 For providing the Fire Services hereunder, the City shall pay the RDCO, by July 1st of each year the fire service is provided, a fee equal to the following sum:

- (i) the fee shall be calculated using an amount equal to the annual levy amount for Fire Services charged by the RDCO to property owners within the EFPLSA, for each \$1,000.00 of assessed value of land and improvements located on such properties (the "Levy"), provided the Levy shall not exceed \$1.50 per \$1,000.00 of assessed value;
- (ii) the Levy shall be multiplied by the total assessed value of lands and improvements divided by \$1,000.00, for all properties within the Fire Service Area, which have been separately assessed in the then current calendar year; and to which shall be added;
- (iii) the amount calculated in Paragraph 4.1 (ii) multiplied by 0.15 to provide compensation to the RDCO for additional administrative services incurred in providing the Fire Services.

Prior to the conclusion of this Agreement December 31, 2026, the City and the RDCO shall begin discussions commencing at least six months in advance, as in by July 1, 2026 regarding options for fire protection to ensure transition issues are effectively dealt with in a timely manner.

6. Release

6.1 The City agrees that the exercise in good faith of the discretion reserved by the EVFD in determining whether to respond to an Alarm, in determining the level of response, or in reassigning dispatched equipment or personnel to an Emergency within the geographic limits of the EFPLSA shall not in any way be the subject of an action, cause of action, demand or claim by the City against the RDCO and that should any action, cause of action, demand or claim be advanced, this provision may be raised as a complete bar thereto.

6.2 The City releases and discharges the RDCO from any and all claims, losses, demands, costs, expense or damages incurred by the City and in any way related to the acts or omissions of the RDCO, its employees and agents in the course of an emergency response,

7.2 For greater certainty the City's obligations under this article apply in the case of those matters referred to sub-articles (i) to (iii) above notwithstanding such event, matter or cause of action may give rise to liability on the part of the RDCO Releasees.

7.3 In the event a Claim is asserted against any of the RDCO Releasees as contemplated in section 6.1, the RDCO shall as soon as practical notify the City of the Claim and shall thereafter consult with the City in the course of the investigation, settlement or defense of the Claim. The RDCO agrees that no settlement of the Claim or consent to judgment in connection therewith shall be effected by the RDCO without the prior written consent of the City thereto.
