Ministry of Transportation and Infrastructure

- No concerns

Summary

- Maintain trails in the KLO Creek Myra Park area
- Policies of the RGS and OCP support the proposal
- No concerns from referral agencies
- Province is the approval authority

Recommendation

THAT the Regional Board support the Friends of the South Slopes Society FrontCounter BC referral application No. 558796 for Crown land tenure to permit the rehabilitation and maintenance of an existing trail system in the KLO Creek Myra Recreation Area subject to the following conditions:

- Trail system be limited exclusively to non-motorized use; and
- Post signage at the site to include information on Provincial Best Management Practices and reminders to leave the area litter-free; to identify trail directions and locations relative to public and private land, and to identify the area as non-motorized use.
